Best part about greatest dot to dot was that I could easily carry it in flight to kill the boredom. but obviously I won't carry this big book on flight. but I still love it. It has explanations of each historical sites, which I didn't know it has. The information was very good. 0 of 0 people found the following review helpful. I would not recommend this product to anyone that I like. By BonnieThe print was small and the ink was so light that I gave up and threw it away. I would not recommend this product to anyone that I like. 1 of 1 people found the following review helpful. Five StarsBy Jacqui LGreat book. Fun to do the tricky pictures, and educational too for the younger users.
