Robbie Miller Kaplan : Sure-Hire Cover Letters before purchasing it in order to gage whether or not it would be worth my time, and all praised Sure-Hire Cover Letters:

This practical guide covers everything job-seekers need to write four types of covering letters: unsolicited, advertisement, referral and resume. It shows how to: create a polished, professional letter that will make a recruiter want to read on; highlight their qualifications, credentials and contributions; tailor the letter so the reader thinks it was written specifically for the position applied for.
