Robbie Kaplan : Sure-Hire Resumes before purchasing it in order to gage whether or not it would be worth my time, and all praised Sure-Hire Resumes:

This second edition of this popular resume guide shows how to write each section of the resume with impact.

Excerpt. Reprinted by permission. All rights reserved.Preface: You may be asking yourself, "Why should I buy this resume book?" Because it works, that's why. Despite all resume books on the market, may people still find resume writing a difficult and frustrating task. Writing your resume is the first step to take when you are considering a job change. It is an opportunity to assess your qualifications and target your search. The first chapter will assist you by providing a step-by-step approach to recording your past experiences, discovering your accomplishments, and

assessing their importance to your overall career plan. Additional information and tools are provided to guide you through the actual writing.
