Marco Polo Travel Publishing : Sweden Marco Polo Map (Marco Polo Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sweden Marco Polo Map (Marco Polo Maps):

4 of 4 people found the following review helpful. Very fine map and perfect for my purpose
By 1685Penn Just returned from an extensive road trip in Sweden (August 2015). I'm not a big GPS guy, but prefer maps when possible. This Marco Polo map was excellent for my purposes. I read reviews which called it "bulky," but my word would be "sturdy." I like to fold a map tightly so that I can read it with one hand and then stash it next to the driver's seat til I need it next. This map worked perfectly for me. Plenty detailed and perfectly accurate. (By the way, Sweden is a pleasure to drive in!)

By Jim Over-sized and very detailed. Accurate. I would recommend it. It is bulky but that is a minor consideration. Buy the map and enjoy.

By Lucy's Mom Other reviews seem correct. Very detailed but too big to use for travel.
