Sybrina's Phrase Thesaurus is a reference tool for anyone with a need to compose unique, descriptive phrases. It's a great tool for creative writers of any genre including students, people just learning English, people wanting to improve their communication skills, artistic professionals like photographers, videographers, models, actors and many others. Anyone who enjoys reading unique descriptive phrases will love Sybrina's Phrase Thesaurus because it is packed full of descriptive phrases on every subject ...from descriptions of the body, and how it looks, moves and interacts ...to word pictures describing of all types of landscapes, waterscapes and skyscapes. This book, MOVING PARTS Part 1, encompasses the top half of the body, describing how it moves and functions. Part 1 covers the everything to do with the head, including voluntary and involuntary actions such as listening, blushing breathing, winking, coughing, singing and much more. Just read the phrases and use what you want just as theyre written or better yet, read all the suggested phrases in a particular category for inspiration to conquer your writer's block!

About the AuthorOnce upon a time I wanted to be a writer more than anything in the world. I could tell stories with the best of them, so I just knew I could write well, too. Funny thing about writing, though...it's nothing like telling a story. I bet you've noticed that, too. I'd even go as far as to bet there have been times...plenty of them, when you've been writing along just fine, then suddenly, you hit a brick wall over how to describe the simplest thing. 25 years ago, there wasn't anything much available other than Webster's Dictionary or Roget's Thesaurus and a couple of synonym and antonym books. So, I decided I'd start to put together what I was looking for, myself. Just read the phrases and use what you want just as theyre written or better yet, read all the suggested phrases in a particular category for inspiration to conquer your writer's block! I hope you get a lot of use out of this book.
