Sybrina's Phrase Thesaurus is a reference tool for anyone with a need to compose unique, descriptive phrases. It's a great tool for creative writers of any genre including students, people just learning English, people wanting to improve their communication skills. It is also useful for artistic professionals like photographers, videographers, models, actors and many others. Anyone who enjoys reading unique descriptive phrases will love Sybrina's Phrase Thesaurus because it is packed full of descriptive phrases on every subject...from descriptions of the body, and how it looks, moves and interacts...to word pictures describing all types of landscapes, waterscapes and skyscapes. The printed books are split into 4 volumes. Volume 3 - PHYSICAL ATTRIBUTES - This book encompasses all of the body describing how different parts of the human body look, from head to toe. This book covers topics such as facial shapes and expressions, age and youth. There are descriptions for bald heads and different kinds of hair styles and colors. There are descriptions for skin colors and textures and all kinds of ways to describe eyes, ears, noses and mouths. The rest of the body is described in great detail as well. Just read the phrases and use what you want just as they're written or better yet, read all the suggested phrases in a particular category for inspiration to conquer your writer's block!
