Linda Wrede-Seaman : Symptom Management Algorithms: A Handbook for Palliative Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Symptom Management Algorithms: A Handbook for Palliative Care:

Pocket sized hospice and palliative care handbook recently updated and released for those providing end of life care and interfacing with the management of advanced chronic diseases. Includes detailed assessment tool, treatment guidelines, tables and scales for pain management and other distressing symptoms. A practical educational tool for nurses in hospice, oncology, long term care and inpatient palliative care. Includes guidelines for spiritual, psychosocial and dignity conserving interventions for patients and their families facing a terminal illness!
