(National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Tahoe National Forest East [Sierra Buttes, Donner Pass] (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. high quality and just what I expected. By Wapas arrived promptly and as expected. A pretty fair deal. Packed properly as well. 0 of 0 people found the following review helpful. Get nat geo or forestry service maps only! By TINMANI recommend only buying Nat Geo maps. They're strong, rip proof, waterproof and most importantly, they use all of the available space for actual maps. No scenic pics of wildlife, no info about birds. Just a good map! 0 of 0 people found the following review helpful. Four Stars By Bryant Fulton These things are great for backpacking. Waterproof and durable. They show most of the main trails.

Waterproof Tear-Resistant Topographic Map Expertly researched and created in partnership with local land management agencies, National Geographic's Trails Illustrated map of the Sierra Buttes and Donner Pass region of Tahoe National Forest provides an unparalleled tool for exploring this historically significant region of the Sierras. Whatever the season, you'll find this map a useful tool in pursuing a host of recreational activities from skiing and snowmobiling to camping and boating. The map features many key points of interest, including Truckee; Stampede, Prosser Creek, and Boca reservoirs; Reno; Donner and Independence Lakes; Middle Fork Feather River; Lakes Basin Recreation Area; and the Agate Bay and Crystal Bay portions of Lake Tahoe. The Tahoe National Forest East map can guide you off the beaten path and back again with miles of clearly marked trails including portions of the Pacific Crest, Pioneer, and Tahoe Rim trails. Trail mileage between intersections will help you choose the path that's right for you. The Yuba Donner and Feather River scenic byways are noted for those wishing to take in the scenery by car. Many recreation features are noted as well, including ski areas, campgrounds, trailheads, wildlife viewing areas, boat launches, and swimming and fishing areas. The map base includes contour lines and elevations for summits, passes and many lakes. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Carson Range, Donner Pass, Jackson Meadows Reservoir, Mount Lola, Mt. Rose Wilderness, Plumas National Forest, Reno, Sierra Buttes, Sierra Valley, Stampede Reservoir, Tahoe National Forest, Toiyabe National Forest, Truckee, Washoe Lake.
