**From McGraw-Hill College :** Taking Sides: Clashing Views on Controversial Issues in American History, Vol. I before purchasing it in order to gauge whether or not it would be worth my time, and all praised Taking Sides: Clashing Views on Controversial Issues in American History, Vol. I:

This debate-style reader is designed to introduce students to controversies in American history. The readings reflect a variety of viewpoints on issues such as: is America exceptional; did slaves exercise religious autonomy; and was the Mexican war an exercise in American imperialism. Taking Sides is also supported by our student Web site, Dushkin Online ([www.dushkin.com/online/](http://www.dushkin.com/online/)).
