Wayne D Ramussen : Taking the University to the People: Seventy-Five Years of Cooperative Extension before purchasing it in order to gage whether or not it would be worth my time, and all praised Taking the University to the People: Seventy-Five Years of Cooperative Extension:

Taking the University to the People will be of interest to agricultural historians and economists, rural sociologists, economic planners, political scientists, and the many involved in Extension Services. This commemorative volume celebrates the seventy-five year history of Cooperative Extension and briefly considers its potential role and continuing significance for the twenty-first century.
