By Maddison
This book is fantastic. "Dirty French" is full of idioms and colloquial phrases. I can't imagine anything left out. As for the name, out of 20 chapters, only the last two deal with "dirty" topics. The rest deals with idioms and how to use phrases.
1 of 1 people found the following review helpful. Depends on what you're looking for.
By Sam B.
For the most part this is a book of French slang. Most of the slang in it is pretty mild day to day stuff akin to most English slang. If you're interested in the more colorful curse words alluded to in the title you will find that only the last few chapters are dedicated to that.

Let's be srieux!
Can't quite come up with the right French quip or four-letter word? With *Talk Dirty: French*, you'll be able to put your (middle) finger on it. Each entry provides an individual foreign gem, a useful French sentence employing the word, the expression's English counterpart, and its literal translation. Whether you're a native-speaker, world traveler, or just looking to tell off those brash Parisians, these naughty words and risqu slang will surely give your tongue a French twist.
Les couilles: the balls
French Expression: Je l'ai avertie-elle ne m'a pas coute alors maintenant je m'en bats les couilles.
Translation: I warned her--she didn't listen to me so now I'm washing my hands of it. Literal Translation: I warned her--she didn't listen to me so now I'm flapping my balls of it.

About the Author
Alexis Munier has taught English at world-reowned language schools across Europe. Now as a writer she still finds time to perfect her French slang!
Emmanuel Tichelli hails from a small town in French-speaking Switzerland, a country with four official languages: French, Italian, German and Romansh. Growing up in a feisty French/Italian family, he learned the power of persuasive language at a young age!
