**Jeremy R. Ellis : Talking Dirty: Slang, Expletives, and Curses from Around the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Talking Dirty: Slang, Expletives, and Curses from Around the World:

We all swear, but usually we don't know from whence those lovely words came. Here is a guide (in a manner of speaking) to practically every dirty word or phrase that's ever been uttered, and very likely, many new ones. Whether looking to curse or let off steam in English or any other tongue, readers will find Talking Dirty a virtually infinite source.
