Joseph S. Esherick : Tarascon Clinical Review Series: Internal Medicine before purchasing it in order to gage whether or not it would be worth my time, and all praised Tarascon Clinical Review Series: Internal Medicine:

2 of 2 people found the following review helpful. Good BookBy CrazydancerThe paperback book is totally worthless. You cannot read the print, let alone the charts. But the kindle version is readable and excellent. Great review of IM for anyone in medicine.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat reference, fits in

white coat as med student. Impressing team on rounds.0 of 0 people found the following review helpful. TARASCON CLINICAL REVIEW: INTERNAL MEDICINEBy DOCTORConcise review of Internal Medicine and summary of all the key facts in table form. An excellent review that is easy to comprehend. Highly recommended.

The Tarascon Clinical Review Series: Internal Medicine is an evidence-based, point-of-care reference for the busy medical student or resident physician to use on your internal medicine rotation or externship. This handy reference guide contains the most important aspects of epidemiology, pathophysiology, and clinical presentation in addition to all of the key aspects of patient management and documentation templates. Packed with tables and algorithms to quickly direct the busy student or resident to an evidence-based approach to managing all medical problems that you may encounter in the hospital, including, but not limited to: Comprehensive tables on Empiric antibiotics for common infections Antimicrobial coverage by class Gram stain interpretation Toxicology Chest and abdominal x-ray interpretation ECG interpretation Corticosteroid equivalency table Therapeutic drug levels table Opioid equivalency table Interpretation of urinalysis and urine sediment Tarascon Clinical Review Series: Internal Medicine has all the pertinent information found within a comprehensive internal medicine textbook consolidated into an easily navigable reference pocketbook.
