Ross I. Donaldson, Timothy Horeczko : Tarascon Medical Translation Pocketbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Tarascon Medical Translation Pocketbook:

4 of 4 people found the following review helpful. Vital for the ER! By Julie Lee I'm an ER nurse and find this book extremely helpful in my hospital where many languages are spoken and I can't learn all of them. This is a must-keep in every medical professional's pocket. The phrases are relevant and the breadth of languages is vast. I use it on a daily

basis and have purchased several as gifts, especially for my colleagues. Highly recommended.
