It was what I orderedBy Kimberlee HallI got what I ordered, it was a little bigger than I expected, my fault for not looking into it more, and it didn't have as much info as I would of liked again my fault. it arrived in perfect brand new condition and on time, I would recommend seller.0 of 0 people found the following review helpful. TarasconBy Melanie SchraderThis guide is convenient, compact and useful. Although the font is small, the information inside is well worth the reading glasses. It fits conveniently in a lab coat pocket and is a good resource to have available.0 of 0 people found the following review helpful. Five StarsBy Cindy Bgreat resource in the ER.

Now in its Second Edition, the most popular and most trusted portable drug reference, the Tarascon Pocket Pharmacopoeia, is available for nurses! Thoroughly updated and re-written by a new author team led by esteemed author Dr. Al Rundio, PhD, DNP, RN, APRN, NEA-BC, DPNAP, the Tarascon Pocket Pharmacopoeia 2013 Classic for Nurses, based on the Tarascon Pocket Pharmacopoeia Classic Shirt Pocket Edition, contains the same award winning content for drugs most commonly administered by bedside nurses. Nursing implications are included for each drug with tips on administration, patient education and more. Just as all other versions of the Tarascon Pharmacopoeia, the Nurses Edition is meticulously peer-reviewed by experts and is coming soon to iPhone, iPad and Android.
