By Fly Guy Great little handbook to refer back to but the print is, like, 2 or 3 font. I wish they made this in a larger format, like they make their pharma book. One star removed for the eyestrain :-)) 1 of 1 people found the following review helpful. Handy little reference. By SB/CPS Several index page numbers are wrong; otherwise it's a

convenient, quick reference. 0 of 0 people found the following review helpful. Five Stars

Excellent tool for
clinicals

The Perfect Resource for the Primary Care Provider! The Tarascon Primary Care Pocketbook, Third Edition is packed with essential lists, figures, and tables concisely covering the full spectrum of primary care medicine, providing instant reminders of hard-to-remember yet vitally important clinical facts for the primary care physician. While it has been designed for the busy family physician, internist, primary care nurse or other health care provider, it is also the perfect succinct resource for specialists who are periodically required to treat more general practice issues. Additionally, this pocketbook is the ideal guide for trainees on ambulatory rotations. Tarascon Primary Care Pocketbook is meticulously referenced and has been peer-reviewed by an expert multi-disciplinary editorial board.
