## Your Numerical Aptitude: How to Assess Your Numeracy Skills and Plan Your Career (Testing Series):

Test Your Numerical Aptitude will allow those who are uncertain of their numerical ability to build their confidence, slowly and surely, until they are ready to tackle any kind of numerical test. For those who already have some numerical skills, this book will provide a chance to brush up on your knowledge, and to identify further levels of capability. Test Your Numerical Aptitude also provides motivation and personality tests along with career advice and a career index. The book will help you assess your numerical ability, to determine whether you are suited to a career involving numeracy skills and if so, which one.

About the Author Jim Barrett is a psychologist and consultant with many years of experience advising organizations on their selection procedures and assessment systems.
