

Random House : Text Me before purchasing it in order to gage whether or not it would be worth my time, and all praised Text Me:

1 of 1 people found the following review helpful. Still useful. Especially for Twitter.comBy N. VincentAs a Twitter user myself and mom of an elementary school-aged child, this book was a fun primer that she could try on Twitter as well as offline - on paper - with school friends. Learned a few shortcut messages myself from the "E-motions" section like CLAB, :-, and SMOFF.

This dictionary of text messages contains the newest text jargon that young mobile phone owners and instant messagers have created. With lots of ideas for fun things to message, this book is the perfect pocket reference guide for adults and kids alike.
