CL Hogan : Textionary - The Texting Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Textionary - The Texting Dictionary:

3 of 3 people found the following review helpful. Texting for BeginnersBy LauriefernSince I am of the older generation, I have not been used to texting. This is book is easy to follow and will anyone to learn if dilligently studied.

"TEXTIONARY: The Texting Dictionary" is a reference tool meant to bridge the communication gap between generations. Although it won't solve all the language barriers, it will give the reader a better understanding of the coded messages sent via sms, instant messaging, and other media channels.
