0 of 0 people found the following review helpful. I can learn MBA shortly through this book. The ...By JasonI can learn MBA shortly through this book. The author is very knowledgeable. I can use this book into practical and instruct my actual work0 of 0 people found the following review helpful. but it was a good read.By Frayed EnzTook me a little longer than 30 days, but it was a good read.4 of 9 people found the following review helpful. Good information. Examples are mostly British.By Lonnie L. Wibberding Jr.The author did a good job providing a lot of information in a small space. The only drawback I found is most of the examples use the British Pound rather than the dollar. Being unfamiliar with how many Shillings per Pound, etc, it was a little cumbersome to read. However, the divisions of disciplines and well written overview of each subject make this a great reference book.
