Dart, Hurlbut : The 5 Minute Toxicology Consult before purchasing it in order to gage whether or not it would be worth my time, and all praised The 5 Minute Toxicology Consult:

0 of 0 people found the following review helpful. Fast Shipping For A Good ReferenceBy J. FelderShipped quickly in good condition. Set up like other 5 Minute Consult Texts, in that a brief overview of the substance, its effects, and its treatments are found on 1-2 pages. Good review for the Emergency Medicine provider.

The 5 Minute Toxicology Consult is a reliable rapid access guide to assessing and treating poisoned patients. Designed and organised for quick consultation and focused on practical clinical issues, the book covers the full range of chemicals, medications, natural compounds, adverse interactions, and patient presentations with toxicologic causes. Each chapter is divided into standard categories flagged by icons - Basics, Diagnosis, Signs/Symptoms, Treatment, Follow-up , and Pitfalls . An entire section is devoted to evaluating patients with suspected but unidentified poisoning.

At least two experienced, board certified, practicing emergency physicians and toxicologists were involved in the editing of every chapter
