Randy Freking : The ABA Consumer Guide to Employee Rights: Understanding and Asserting Your Rights On The Job before purchasing it in order to gage whether or not it would be worth my time, and all praised The ABA Consumer Guide to Employee Rights: Understanding and Asserting Your Rights On The Job:

Although a job is a huge part of most peoples lives, few people fully understand the rules that define their employment or know their options when the relationship with their employer sours. This book covers issues such as job security and termination issues; discrimination; job applicant rights; harassment; privacy at work; whistleblower rights; and when to hire an attorney. It will answer questions such as:What rights do I have in the workplace?Can I be fired without warning?Am I entitled to overtime pay even if I am paid a salary?What are my rights if I think I am the victim of discrimination?Written by a top employment attorney, this book will help employees understand their rights and what to do if those rights are violated.
