Les Sussman, Alan Dubowy : The American Animal Hospital Association Encyclopedia of Cat Health and Care before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Animal Hospital Association Encyclopedia of Cat Health and Care:

An exhaustive guide to choosing and caring for a cat includes information on breeds and temperaments, handling scratching and spraying, traveling, feeding, health problems and their symptoms, what to do in an emergency, and more. 50,000 first printing.
