**Brian Rust : The American Dance Band Discography 1917-1942 (Two Volume Set)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Dance Band Discography 1917-1942 (Two Volume Set):

0 of 0 people found the following review helpful. Jack EarlyBy Jack EarlyBrian Rust's American Dance Band Discography chronicles every American dance band recording made between 1917 and 1942. The 2 volumes are arranged alphabetically by band name, with a chronological listing of recordings, with dates, matrix numbers, catalog numbers, as well as any other pertinent information. They supplement Rust's Entertainer recordings discography for roughly the same period, so any fan of '20s and 30's popular music will probably want that one, too. I can't imagine any fan of popular music of this period being without these volumes.
