**Ilana Shamir, Shlomo Shavit : The Young Readers' Encyclopedia of Jewish History** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Young Readers' Encyclopedia of Jewish History:

4 of 4 people found the following review helpful. Terriffic resource!By Homeschool MomI've used by copy over and over for years-- its for children but I use it myself. This is a giant oversized book gives an excellent visual overview of Jewish history, beginning approximately 5,000 years before the birth of Christ and ending with the present time. A time line summarizes the text and places Jewish history in the context of general world history. Includes 300 photographs, maps, charts, and drawings.

Provides information about main events, eras, and critical figures in Jewish history with 300 photographs, maps, charts, and drawings. Includes a glossary and timeline of key events.
