**Olaf Nordstrom : Things You Know by Heart: 1001 Questions from the Songs of Jimmy Buffett** before purchasing it in order to gage whether or not it would be worth my time, and all praised Things You Know by Heart: 1001 Questions from the Songs of Jimmy Buffett:

me. After reading a few pages it prompted me to get out my JB LP's, cassettes and CD's and listen once again before I take the rest of the quizzes. Any Buffett fan will enjoy this trivia book. 2 of 2 people found the following review helpful. Makes you think  
By Laura AI've been a Parrothead for over 20 years and this book is not easy!! You really have to think, and sing his songs in your head, unless you have some kind of photographic memory for music!! Having said that, it's a lot of fun doing so!!

TRIVIA IS NOT THE WORD for the stuff in this book. Significant might be more like it. After all, when it comes to the songs of Jimmy Buffett and to those who enjoy them, not a single syllable seems trivial about the lyrics. Everything is significant; even the goofiest things. That's the reason why Nordstrom first put together this book of questions based on absolutely nothing other than the words in Jimmys music. Nordstrom's simple plan was this: If Jimmy doesn't sing it, then I simply won't ask about it. And because every true Parrot Head knows by heart the words to every one of Jimmys songs, it only follows that you must know the answers to these questions, as well. Just as time and tide wait for no man, though, Jimmy wasn't about to sit still for Nordstrom. Since the very first edition of this book way back in the last millennium, Jimmys cranked out a few more albums, compiled some performances on screens of all sizes, written more than a few best-selling books, and even brought home a music award or two, all of which are entwined with his lyrics like vines around some mahogany tree deep in a tropical jungle. And so, with this tenth edition, Nordstrom's not only posing his 1001 questions promised on this cover, but also asking a few score more about the lyrical connections to everything else that Jimmy has been up to. As you thumb through these pages, then, you'll be pleasantly surprised to see how much you really do know by heart. And you'll happily discover that all of those hours spent listening to Jimmys music at last have found a practical purpose.
