It didn't have everything I would have expected, but it was what he needed for school so it served its purpose. It was a bit worn than I expected it to be. 2 of 2 people found the following review helpful. great condition, great font size By Trey Combs great condition, great font size, great illustrations of maps and words and understandable definitions. I was surprised that the word Integrity was not in this dictionary. However I am still happy with my purchase. 5 of 5 people found the following review helpful. Great Hard bound Dictionary By Charles J Thomas A very nice hard bound dictionary with a lot of helpful added tools that aids students in a fuller understanding of each word. The student can gain a fuller knowledge of origin, history and other forms of the words that they are striving to study.
