Amy Elias : Time: A Vocabulary of the Present before purchasing it in order to gauge whether or not it would be worth my time, and all praised Time: A Vocabulary of the Present:

The critical condition and historical motivation behind Time Studies The concept of time in the post-millennial age is undergoing a radical rethinking within the humanities. Time: A Vocabulary of the Present newly theorizes our

experiences of time in relation to developments in post-1945 cultural theory and arts practices. Wide ranging and theoretically provocative, the volume introduces readers to cutting-edge temporal conceptualizations and investigates what exactly constitutes the scope of time studies.
