Yusuf Wilson Mhrm : Time to Get Hired!: Strategies for Your Job Search, Job Transition, and Finding Green Jobs before purchasing it in order to gage whether or not it would be worth my time, and all praised Time to Get Hired!: Strategies for Your Job Search, Job Transition, and Finding Green Jobs:

0 of 0 people found the following review helpful. A Must HaveBy Megan PThis book is a "must have" for job

searchers, recent graduates and persons evaluating the next step in their career. A job search can be overwhelming but Yusuf Wilson did an excellent job breaking down the components into manageable tasks that work! His energy and commitment to this project are contagious. My resistance to the use of social networking sites was eradicated after Yusuf outlined how to appropriately leverage them to expand my network and get information/insight on potential employers. After working through the exercises in this book I was able to organize and confidently tell my story. Lists of helpful links throughout the book is a bonus. It was time for me to "get hired", starting new position in a few weeks!!! 1 of 1 people found the following review helpful. Excellent
By C. Edwards
This book is full of great references that would assist anyone looking for work. The author did a great job of providing real-life examples which exemplify what has happened as a result of a bad economy. I also liked the statistical data he included. The book is a gem, gives helpful salary negotiation tips when offered a position. If you are unemployed or underemployed, BUY THIS BOOK!

You don't have to be an expert to know that it's a tough time to be a worker in the United States. Unemployment remains around 9 percent, and millions of people are unemployed or underemployed. To make matters worse, there are usually eight to ten job candidates seeking a single job opening, which compares with the two to four candidates that were competing for a given position in December 2007. Unlock the secrets to getting hired in a tough economy with Yusuf Wilson, a nationally known career coach. He helps you discover * how to make your skills and accomplishments distinctive; * where to find your dream "green" job; * methods to land more interviews and receive more job offers; * networking strategies to connect with more movers and shakers; * and many other proven strategies to build a job search plan that works. If you are among the millions of people who are unemployed or underemployed, Wilson's strategies can help you. Equip yourself with the tools and knowledge you need to start walking down a path that leads to Getting Hired Now.

FIVE STAR RATING"This is the finest job-finding book I've read. Yusuf Wilson, covers all the bases with fewest and best words. He explains how to network and then dedicates nearly half the book to green jobs and where most new jobs are emerging. He prepares you to step to the front of the line."
Paul Glover - Editor Green Jobs Philly.com
From the Author I know what it's like to look for a job... If you want advice on how to find a job, you should get it from someone who has made the cold calls to get an interview, overcome the many rejections from the job hunting process, and have dealt with the frustration of not being offered the job even after doing everything right. Furthermore, it would be great to learn from a person who has been laid off and yet achieve better jobs and more money after every job loss. Yusuf Wilson is just that person. Here, he reveals proven job hunting strategies and tools to get you hired now. Practical advice to help you: Master your Job Search Emotionally "Stay in the Game" of the Job Search Effectively Network using the Internet Sell your Distinctions and Accomplishments Understand what Green Jobs are and How to Get One And much, much more.... It's "Time to Get Hired" and Yusuf Wilson will show you how!
About the Author Yusuf Wilson is President and Senior Consultant of Wilson Consulting and Training Systems, LLC. And author of the national hot selling books, "Time to Get Hired!" and "The Art of Networking." He has been interviewed on ABC, CBS, Fox and over 300 radio stations across the country. He's been a Corporate Executive for over 20 years and has been laid off three times in his career. After every job disruption, he's gotten a higher paying job with greater managerial responsibility. He's has solved problems and provided leadership for organizations such as Philip Morris USA, American Express, JP Morgan Chase Bank, TD Bank and MBNA. He holds degrees in Marketing and Management and a Master's degree in Human Resource Management. He's a member of the Sustainable Business Network of Greater Philadelphia, Society of Human Resource Managers (SHRM), and the International Coaching Federation (ICF). In addition, he's a highly sought-after speaker, seminar facilitator, and one-on-one career coach.
