This book teaches kids to deal with change and separation by saying "bye-bye" to everything and everyone... or "night-night." Perfect way to teach kids that even though you are enjoying something right now, its time to say bye-bye and move on to the next thing. I only wish this book was offered in a board book.0 of 0 people found the following review helpful. Five StarsBy Carol ShortAdorable little story that my toddler can relate to. She never wants to say bye bye.0 of 0 people found the following review helpful. Cute!By SophM\_8Very cute book to help toddlers with transitions.

Time to Say Bye-Bye / Hora de Dizer Tchau-TchauBabl Children's Books in Portuguese and EnglishA perfect picture book for toddlers on the go! All toddlers live by the pleasure principle; for them, fun times always end too soon. Often, theyll either turn a deaf ear to the words ""It's time to say bye-bye"" or simply throw a tantrum. What is the solution?

In this warm-hearted picture book, Maryann Cocca-Leffler follows a toddler from morning to bedtime, showing that all saying "bye-bye" to something really means is that you're ready to say "hello" to the next fun thing in your busy day! With a bare minimum of words and playful artwork, this is one of those rare read-alouds perfect for very young children. Reviews "...vibrant, sweet, watercolor illustrations ... along with a spare text, make this an enjoyable read-aloud for the youngest of listeners." - School Library Journal "This would be a great addition to a babies' lap time, particularly if the little ones were encouraged to say/wave bye-bye along with the story." - BCCB "So effective is the delivery here that parents may find themselves saying bye-bye to things they'd never imagined talking to." - Kirkus "The appropriately short text captures the rhythm of the child's day ... Bright and sunny, the mixed-media illustrations create an appealing world full of recognizable things." - Booklist
