Really great tips and guidelines to follow if you want to improve how you write!By Top 10 ReviewerReally great tips and guidelines to follow if you want to improve how you write! The book itself is very well organized and even offers visuals in the form of various graphic organizers to help the reader along. It also contains some review test at the end of each chapter, which helps the reader practice and apply what they've just read for better retention of the material. Highly recommended!0 of 0 people found the following review helpful. very great grammar bookBy CustomerAs a used book, it is a little old but still in good condition. The lessons and practice in the book are very helpful, especially its grammar, clear and detail. It is worth the price much more.0 of 0 people found the following review helpful.
