Marcy Lerner, Chandra Prasad, Nikki Scott, Samer Hamadeh : Top Consulting Firms: The Vault.com Career Guide to the Top Consulting Firms (Vault Reports) before purchasing it in order to gage whether or not it would be worth my time, and all praised Top Consulting Firms: The Vault.com Career Guide to the Top Consulting Firms (Vault Reports):

0 of 0 people found the following review helpful. Not what I thought it would be By A Customer I bought this book due to all the great reviews I read on it, but I found that it didn't really have all that much info that was different from what you could find at the companies web site, I was also disappointed that it was simply a binded book of copies, not a actual book!!! It did have some good information, but I would suggest just going to the websites of the company 0 of 0 people found the following review helpful. Outstanding guide! By A Customer I found this guide to be tremendously

valuable. I also found the companion "Vault Reports Guide to Case Interviews" to be indispensable. 1 of 1 people found the following review helpful. A powerful read
By A Customer I'm not sure what the last writer meant. This book is the centerpiece of my section here at business school - the writing is great and the info goes deep. As for the binding -- again, I think the last writer is confusing this book with another -- it's a fully bound book.

Whether you're consulting savvy or can't name even one of Porter's Five Forces, you'll find *The Vault Reports Guide to Management Consulting* an ideal tool for your job search in the consulting industry. With this 340 page guide, you'll receive an introduction to the management consulting industry and two-page entries on well over 40 major consulting firms. The *Management Consulting* guide tells you what you need to know, including: Industry rankings The life of a consultant Vital company stats History and current operations The lowdown on the firm's hiring practices The inside scoop on each firm's social life, pay, perks, workload, dress Read the *Management Consulting Industry Guide*, and find out: How consultants rank the prestige of their firms and their competitors Which firms have "up or out" policies What strategy consulting, operations consulting, and IT consulting are, and which firms specialize in each All about the Balanced Scorecard, used by hot new consulting firm Renaissance Worldwide How much you can expect to make within a few years at McKinsey, known to insiders as "The Firm" Why the DC-based firm The Advisory Board is known as "The Melrose Place" of consulting firms What percentage of base salary the Boston Consulting Group grants as year-end bonuses

"Cliff notes for careers... fun reads, edgy details." -- Forbes Magazine, December 1998
