**Steve Provenzano : Top Secret Executive Resumes: Create the Perfect Resume for the Best Top-Level Positions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top Secret Executive Resumes: Create the Perfect Resume for the Best Top-Level Positions:

0 of 0 people found the following review helpful. Bravo Steven! 8v) 5 Stars! By Darrell Dizoglio A fine book full of insight and very educational, especially for professional resume writers. However, if you are not already a great writer, editor and proofreader, it still would be far better and smarter to delegate this highly specialized task to a Certified Professional Resume Writer who regularly writes for executives/high-income earners. Let's face it, there's a lot at stake and a terrific return on investment when it is well done. Steven Provenzano points the way, provides insight, demonstrates expert-level editing and guides you in for a smooth landing. Bravo Steven! 8v) Bravo! Darrell DiZoglio, CPRW

With more than 20 years as a Certified Professional Resume Writer and more than 100,000 career books sold worldwide, Steven Provenzano shows you how to create a high-impact resume that develops and markets your skills and abilities to shorten your executive career search. This one-of-a-kind book reveals the secrets used by expert resume writers worldwide. You'll learn how Mr. Provenzano has helped thousands of clients identify, develop and market their abilities to the fullest extent and quickly increase their income. Packed with more than 150 pages of real-life resume examples, each with documented results, you'll learn all the essential points of persuasive, keyword resume writing, cover letter writing, design and format. The author includes the latest tips and strategies on networking, interview techniques and leveraging your LinkedIn page. There are before-and-after resume examples, a military conversion resume, and newly written articles from experts related to self-motivation, networking and how to answer some of the toughest interview questions. In today's job market, competition for the best, top-paying positions is intense, and the need for an excellent resume has never been greater. It's essential to create a high-impact resume that markets your skills - your personal brand - with impact and precision to stand above the crowd. You can't get the position you want without an interview, and you can't get an interview without a great resume. This is the only resume book that includes a free resume review by the author.

.com About This Edition of Top Secret Executive Resumes From the Publisher The book displays the results of each of more than 100 resume samples--many of them new to this edition--from real clients who received calls and/or interviews from employers. The text stresses the importance of executive networking and how to use Internet resources (such as LinkedIn) to expand job seekers' networks and find new career opportunities. Author Steven Provenzano, CPRW/CEIP, emphasizes the importance of high-impact, objectively written Profile Sections, including expanded keywords for today's ATS (Applicant Tracking Systems), which scan resumes prior to review by human resources personnel. Featuring a full range of reference, preparatory, and support materials, the book provides everything today's professionals need to get the most from their job searches. Written by a noted expert with endorsements from The Wall Street Journal, The Chicago Tribune, The National Business Employment Weekly, and Crain's Small Business, the text includes a confidential resume analysis with the author or his staff via email or telephone consultation. Worksheets throughout the text help readers identify their unique talents and abilities, get organized, and stay motivated.
