Sergio Zagier : Torres del Paine Waterproof Trekking Map (English/Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Torres del Paine Waterproof Trekking Map (English/Spanish Edition):

27 of 27 people found the following review helpful. It's great, but you do not need it. By trailweathered This is a good map. However, you do not need to purchase it. If you hike in Torres you will be required to go to a meeting with the rangers to discuss safety and rules. They will give you a completely adequate and useful map at that meeting, for free. So buy it if you like maps, or maybe want to do a little pre-planning at home, but you won't be needing it in the park. 3 of 3 people found the following review helpful. The park now has the new regulation (from Oct 2016 ... By Customer The park now has the new regulation (from Oct 2016.) Some campsites and side-trip trails on this map are no longer available. Make sure to download the latest hiking map from their official website. You DO need to make a reservation for each campsite on Paine "O" Circuit / "W" route. 1 of 1 people found the following review helpful. This is a great map, but By WhenInRome This is a great map, but, as many others have noted, it's frustrating that there aren't more detailed maps available -- Torres is really, really big, and it would be great to have maps that were more helpful on navigating specific hikes.
