Paul C. Giachetti : Total Immersion: The Comprehensive Unauthorized Red Dwarf Encyclopedia: A-K (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Total Immersion: The Comprehensive Unauthorized Red Dwarf Encyclopedia: A-K (Volume 1):

1 of 1 people found the following review helpful. Thank You Total Immersion!!By Daniel LangeThese volumes are life savers and they answered many questions I had like what happened to the cat ark that survived. If anyone is interested in seeing the whole picture instead of the little snippets online this is something I highly recommend.1 of 1 people found the following review helpful. Great reference!By JKPBeyond Detailed (or should I say Beyond a Joke?). Great reference!0 of 1 people found the following review helpful. The Red Dwarf encyclopedia is a lot of fun, as well

as being a handy reference work. The Red Dwarf encyclopedia is a lot of fun, as well as being a handy reference work. It's impossible to catch all the details of a show as convoluted as Red Dwarf, but one needs to keep in mind that Rob Grant and Doug Naylor were literate writers that sneaked in bits and pieces that were over the head of Giachetti. One example is on page 61 of the first volume under the listing "beer milkshake". Giachetti is apparently completely unaware of the actual origin of this wacky concept. Grant/Naylor lifted it from a running joke in John Steinbeck's novel "Cannery Row", where the character Doc is trying to work up the nerve to go into a diner and order a beer milkshake. There are a bunch of other literary allusions in Red Dwarf, but most fans won't know and won't care anyway. The pair of reference books are good info resources. Thumbs up.

If you have ever wondered if there was more to Red Dwarf than just a television series, then prepare to have your nipple nuts spun, because Total Immersion: The Comprehensive Unauthorized Red Dwarf Encyclopedia has got you covered! The quintessential reference guides to the whos, whats, whens and wheres of the entire Red Dwarf universe, Total Immersion contains thousands of entries from the television episodes, novels, websites, games, comics and more, meticulously compiled and all-inclusive. Every person, place, thing, event and reference is alphabetically listed from Androids to zero-gee football, from Alhabetti Spaghetti to Zogothoniumeliumoxiixiexiphulmifhidikalidrihide to produce this trivia buffs ultimate treasure trove of all things Dwarf. This two-book set includes: More than 5,500 entries culled from every Red Dwarf story and source material A detailed index breaking the entries down into seventy-five categories for easy browsing A foreword by Jonathan Capps, a founding member of Ganymede Titan, the premier Red Dwarf fan site More than sixty breathtaking interior sketches from artist Pat Carbajal, produced exclusively for this set A complete story guide to the television series, novels, Smegazine comics and more An overview of the many universes and timelines featured in Red Dwarf Written for both casual fans and those who know the range of a C-180A Canary Rifle, Total Immersion is your one-stop guide to the entire Red Dwarf mythos. Smeggin hell!

About the Author Paul C. Giachetti is the co-owner of Hasslein Books, a publishing company he launched with long-time friend Rich Handley in 2008. A magazine layout artist by trade, he is also Hassleins graphic artist and layout designer, and has designed and produced all of the companys publications to date. He lives on Long Island, New York. Paul maintains a personal blog at paulanoma.blogspot.com, and occasionally contributes to Hassleins blog, hassleinbooks.blogspot.com.
