Balthazar Cohen : Totes Ridictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Totes Ridictionary:

0 of 0 people found the following review helpful. The Perf Book!By Cali KJThis book is totes amaze and will make any convo brill!0 of 0 people found the following review helpful. Teen giftBy MissCharlesPurchased for my 14 year old niece. She said it's pretty funny, but not great. I haven't seen her with it in a while. It was a cute gift though.0 of 0 people found the following review helpful. Great Gift and Coffee Table BookBy D. ReimersHeard about this book from a co-worker and am so glad i ordered it.We have it on our coffee table and anyone who picks it up is consumed by the book...fun read!

Totes ridic! Presh! Amazeballs! Adorbs! Obvs! Whether words like these make you roll your eyes in recognition or wonder what the hell everyone is talking about (or both), The Totes Ridictionary will help you survive life in a world where text-message abbreviations and Twitter slang are dancing on the grave of the Oxford New English Dictionary. Everywhere you look in emails, tweets, Facebook posts, text messages, blogs and even real-life conversations Totes Ridicheads are turning words into twee abbrevs, communicating in internet acronyms, and embracing hashtags as a way of life. And, like it or not, sooner or later you'll need to become fluent in totes ridicularity. Packed with hilar illustrations and a satirical glossary that'll help you sort the jel from the awks, correctly identify whats perf and whats tradge, and know how to react if someone describes you as gorge or cray-cray, The Totes Ridictionary takes a totally ridiculous look at what happens when language and technology collide.

"A new book has come into our lives and enriched them beyond our wildest dreams. The Totes Ridictionary has rewritten some classic pieces of literature, and butchered them with a 'modern twist' - which makes for wondrous reading. #8212Cosmopolitan This is gorge, totes want it. The Totes Ridictionary is cray-cray, its chalk full of every single Twitter-esque verb, noun, adjective, EVERYTHING you need to tweet those 140 characters. This isnt just another million paged dictionary. Move over Oxford, because The Totes Ridictionary is taking your spot and twerking into our hearts and minds. #8212Notion Magazine Web-speak isn't totes ridic it's pure poetry. #8212Evening Standard
