Michael McCarthy, Jeanne McCarten, Helen Sandiford : Touchstone Level 3 Student's Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Touchstone Level 3 Student's Book:

Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Each Student's Book contains approximately 90 hours of material across 12 topic-based units - with additional grammar and pronunciation practice added for the Second Edition. Student's Book, Level 3 is at the low intermediate

CEFR level (A2-B1).
