The lesson plannings are full of good suggestions and there are also lots of tests and exercises that are ready to use, sparing teacher's time. Highly recommended for EFL teachers.0 of 0 people found the following review helpful. Five StarsBy Homan HemmatianIt's awesome I didn't read all of it but as far as I saw it great book0 of 0 people found the following review helpful. Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really

use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Each Student's Book contains approximately 90 hours of material across 12 topic-based units - with additional grammar and pronunciation practice added for the Second Edition. Student's Book, Level 4 is at the intermediate CEFR level (B1-B2).
