A good research tool for names and cross-checking, as well as a backup to carry with you on the trail. High quality and readable text and imagery, and truly water-resistant material.0 of 0 people found the following review helpful. Good accurate mapsBy Cece RubinGood accurate maps. Did well in wet weather. Spread out when drying out and it should be fine....or they might dry stuck to itself.0 of 0 people found the following review helpful. Tom Harrison Maps are GreatBy kat ratTom Harrison topo maps are my favorite. They are light weight and water resistant. I use them when hiking and backpacking.
