Charles Gates : Turkish-English/English-Turkish Dictionary and Phrasebook (Hippocrene Dictionary Phrasebooks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Turkish-English/English-Turkish Dictionary and Phrasebook (Hippocrene Dictionary Phrasebooks):

38 of 38 people found the following review helpful. Excellent Little Book By MaryMR This is an excellent little book with a succinct and interesting summary of Turkish grammar (no exercises, just a complete review of the basics). It has an extremely useful bi-lingual dictionary of common everyday words and terms (some of which I found more easily here as opposed to in a larger Turkish dictionary). The last half of the book consists of a Turkish Phrasebook divided into topics of interest for quick reference, such as Professions, Family Matters, Directions, Sightseeing, Weather, etc. 3 of 3 people found the following review helpful. Terrific help By Houston Librarian The Turkish-English/ English-Turkish Dictionary works for my Turkish library aide. He is building vocabulary and gaining confidence in speaking to the students at the circulation desk. Thanks. 1 of 2 people found the following review helpful. Good But Not Condensed Enough By manymoos This is a good starter book, but not sufficient enough if you want to get into a conversation with a Turkish person. There's many words that are missing that need to be included to make sense of a conversation. It's a good reference to get started, but leaves you in dismay because of the other missing words. It limits me in trying to converse with my Turkish friends. I wish it did more. I'll probably shop around for something else.

This essential language title for visitors to Turkey features a grammatical introduction to the Turkish language and extensive vocabulary and phrases for travel-related and daily life situations. A pronunciation guide and practical cultural information are also included. *2,500 dictionary entries *Pronunciation guide *Basic Turkish grammar *Important grammar for both visitors and new residents *Ideal for the traveler, student, or businessperson

About the Author Charles Gates is an archaeologist and assistant professor of archaeology and art history at Bilkent University in Ankara, Turkey. A member of the American Association of Teachers of Turkic Languages, he has lived in Turkey since 1990 and traveled there extensively since the 1970s.
