Vietnam and it proved to be very helpful with translating numbers, ordering food, things like that. I very much like the size as it is very stout and fit easily into my pocket. Would definitely recommend over a traditional dictionary. 1 of 2 people found the following review helpful. review from a Vietnamese who teaches Vietnamese on Sundays By iSpendMoney33713Uh..do not buy it. I looked at the "first pages", letter A, and I found 3 words that are translated incorrectly. Sheesh!
