was very easy to read and provided me with a number of useful tips and information to assist me in making my next Executive move. Perhaps most useful was the information on how to optimize your LinkedIn profile. LinkedIn is changing the world of recruitment so getting this right is critical. I would highly recommend this book to any Executive who is wanting to explore and understand the hidden job market. 0 of 0 people found the following review helpful. Must read for executives who want to stand out from the pack and change jobs. By Louise c68. An easy to read and follow instruction on how the executive recruitment market has changed since the GFC. I didn't realise the power of LinkedIn and how widely it is used now by recruiters and organisations. Richards methodology of targeting your employers of choice is something I should have realised as I use this approach for business however I've never done it for myself. A must read if you want to stand out from the pack! 0 of 0 people found the following review helpful. Easy To Read - Keeps the main game simple. By Frank Terranova. It's a very easy and quick read that gets to the point. A lot of the book is common sense but the format and presentation used makes the key points very obvious and impossible to miss. For experienced professionals it will remind them of the many aspects that almost get taken for granted as you progress your career. Therefore it's the sort of book that you will read many times at different points of the career process.
