Patois: An Introduction to Afro-Jamaican Grammar:

0 of 0 people found the following review helpful. Five Stars.By Ralph SmithThis is a really good book. It is worth taking the time to read and understand. It's an affordable book that really helps understand the Jamaican language of Patois. It was delivered right away. The service of delivery and packaging was great. Am completely satisfied with this order. It is worth sharing too. Learning a new language can be fun.0 of 0 people found the following review helpful. Five StarsBy MrsbrandyhoodItem as described and fit perfectly0 of 0 people found the following review helpful. He said that this book was very insightful and gave goodBy CustomerI gave this book to someone very special to me. He said that this book was very insightful and gave good knowledge

This easy-to-understand introduction to Afro-Jamaican grammar "explains clearly and simply the basics of Jamaican patois. Most importantly I think the book has an important role to play in helping Jamaicans take pride in their language and see that it is not second-class" (Deborah Pruitt, anthropologist, Berkeley, California). (Foreign Language Studies)
