Charles B. Handy : Understanding Organizations (Penguin Business Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Organizations (Penguin Business Library):

0 of 0 people found the following review helpful. Clearly the best business book out of 100 I've read in last 10 yearsBy ARTJOM SOKOLOVIf other authors usually limit their book with one idea which they try to stretch to 220 pag book, then Handy doesn't promote one and his, but gives a holistic overview of what has been done by others and lets the

reader to have a helicopter view of the subject.0 of 0 people found the following review helpful. A must read for anyone interested in organisations, the way they work and their internal interactionsBy RobertaIt is easy to read, clearly written and with interesting citations and quoteIt is written with knowledge and passionIt is a valid companion for any organisational behaviour handbook0 of 0 people found the following review helpful. Almost a classic. A common sense book about the ...By Cliente de Almost a classic. A common sense book about the key issues in OB. Not academic but a common sense and systematic speech.

Organizations are a part of everyday life, whether in schools, hospitals, police stations or commercial companies. In this classic text, Charles Handy argues that the key to successful organizations lies in a better understanding of the needs and motivations of the people within them. Understanding Organizations offers an extended 'dictionary' of the key concepts -- culture, motivations, leadership, role-playing, co-ordinating and consultation -- and then shows how this 'language' can help us find new solutions to familiar problems. Few management writers have been as consistently challenging and influential as Charles Handy. Firmly established as one of the core business texts, this book is essential reading for anyone interested in organizations and how to make them work better.

"An exceptional book getting to the basics of an organization. The use of resource materials is the most accomplished." --Dr. Richard H. Fabris, Jersey City State CollegeFrom the Back CoverLong a bestseller in the United Kingdom, this classic text offers an illuminating discussion of key concepts of concern to all managers: culture, motivation, leadership, power, role-playing and working in groups.What the successful manager knows intuitively, Charles Handy puts into words. His powerful interpretive schemes will help managers grasp the underlying dynamics of their company, make sense of its past, and assess- and shape- its future.About the AuthorCharles Handy is now a writer and broadcaster, following careers as an economist, Professor at the London Business School and a consultant to a wide variety of organizations. He is widely regarded as the top 'businessguru' in the UK. UNDERSTANDING ORGANIZATIONS was originally published in 1976. He lives in Norfolk and London (Putney).
