0 of 0 people found the following review helpful. Great PosterBy CustomerGreat poster great size laminated thank you

The Understanding the Spine chart is an overview of the structure and selected health issues of the vertebral column. Front and side views of the column are shown, along with several views of vertebrae and discs. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included).
