My Ebook Publishing House : United States Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised United States Atlas:

4 of 4 people found the following review helpful. Don't get this for a KindleBy billy dOnly has counties -- no roads -- and too small to read on a 7" Kindle. Not much info on the description, so I didn't know it would be worthless.1 of 1 people found the following review helpful. All it shows is States counties, what a waste of money.By K CWaste of money. Doesn't show anything pertinentA real rip off. Save your .99 Have a great day Thank You1 of 1 people found the following review helpful. Disappointing. save your moneyBy LadyCorinthNot what I expected. Hard to navigate. I expected much more information, bordering states, entry I to the Union, etc.

This full-color atlas of the United States features maps of the North American continent, regions, and individual states. My Ebook Publishing House was founded as part of a large project, developed to bring you quality education materials. The publishing policy is guided by professionalism and follows the educational needs of our youth. The prestige that the publishing house has reached for the last years is emphasised by the large number of people that purchase its books as well as by the constant interest for libraries and educational institutions. We invite you to join us in the wonderful world of books!
