To understand a people, acquaint yourself with their proverbs' runs an Arab adage, and here are the books that help you do just that. The popular *Apricots Tomorrow*, a selection of sayings from the Gulf region, is joined by sister titles *The Son of a Duck is a Floater* and the newest book in the series, *Unload your own Donkey*, which draws on sayings from the Maghreb and Levant. Paralleling age-old Arabic sayings with English equivalents, the proverbs highlight the uncanny similarity of inherited wisdom in both East and West.
