**Terry Clark : Unofficial Tibco (R) Business Workst Interview Questions, Answers, and Explanations: Tibco Certification Review Questions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unofficial Tibco (R) Business Workst Interview Questions, Answers, and Explanations: Tibco Certification Review Questions:

8 of 8 people found the following review helpful. So far off the mark it's not even wrong  
By hackmare  
This kindle book only covers Tibco Business Studio. It actually has nothing to do with Business Works. The book claims to have 150 topics but has 109. One can only conclude that not only the author knows little about either topic, but that he also never bothered to have the book reviewed. As a tech book, it carries little weight. To top that off, the questions that do get asked are user-interface questions and give very little insight about the underlying understandings that are required. To the bulk of the questions asked, a seasoned interviewee would answer: "I don't remember exactly, but I know where to find out: in the user manual"  
Of all the tech books I have purchased in over 15 years, this is the worst purchase I have made. It has provided ZERO value and if I could I would send it back. How do I get my money back? Doesn't provide SOME quality standards?  
0 of 0 people found the following review helpful. I have never spend 45 dollars and felt so duped in my life  
By V. Singh  
First let me agree with the other poster that, majority of the book (if you can call it) is about TIBCO GI and rest is about Business Studio and not about Business Works. And the the favorable reviews you see in here about this book are from people who wants you to buy the book i.e the people who wrote the book (again if you can call it a book).  
0 of 0 people found the following review helpful. This is not a book!  
By Dave  
This is not a book - this could be called a pamphlet at best! Worst 54 dollar that I've ever spent! What a rip off. How can this thing be sold for 54 dollars!!! It is ridiculous. Spend your hard earned money for something worth - this so called "book" is definitely not worth it!

The Ultimate Reference Learning Guide for TIBCO careers! Over 150 Certification Questions, Answers, and Explanations  
It's clear that TIBCO is the future for real-time SOA and Enterprise Integration - but finding good reference materials can be difficult. Now, for the first time, a world class TIBCO consultant shares his knowledge and understanding of this complex topic. Unofficial TIBCO Interview Questions guides you easily through your learning process. From helping you to assess your TIBCO skills, to helping screen candidates for your TIBCO positions, TIBCO FAQ will help you understand what you really need to know. This book is organized around several areas of TIBCO: SOA, EDA, Business Process Integration and Design, Master Data Management, and more. Each question is based on implementation project know-how gained on high-profile TIBCO implementations. Key topics include:  
Service Oriented Architecture  
Event Driver Architecture  
Business Process Integration  
Master Data Management
