**Emily Croom : Unpuzzling Your Past** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unpuzzling Your Past:

0 of 0 people found the following review helpful. This book also has a workbook which is great because it is something I can work withBy Sandra S.This book also has a workbook which is great because it is something I can work with.Just starting with it and so far it is helpful0 of 0 people found the following review helpful. Good tool along with the matching book.By SkyeisleGreat for budding genealogists even if a bit dated. Written in 20170 of 0 people found the following review helpful. Uncovering the relatives.By L. CampbellI'm taking a class that will use this book and it hasn't started yet. So, I'll know more as we get into it. However in reading it, it seems as though it has some very good pointers on how to do the research necessary.

The new and expanded fourth edition of this best-selling guide (over 150,000 copies sold!) to genealogy provides

readers with the tools and information they need to jump into this great American hobby. *Unpuzzling Your Past*, 4th edition focuses on fundamental strategies for success, questions to ask, places for research, and interesting examples of each step along the way. Throughout, readers will find techniques and suggestions for: Taping family documents, oral tradition and memories; Exploring the vast array of U.S. public records, from newspapers and tombstones to censuses and land records; Getting the most from names, dates and handwriting of the past; Developing a first-rate and meaningful family history; Well-organized, well-written and comprehensive, this guide offers readers charts, illustrations, reference sidebars, bibliographies, a glossary, and useful, reproducible forms. Each chapter is capped with a list of "Things to Do Now" to encourage readers or students to apply what they have learned.
