Awesome DictionaryBy Janan RahmanI purchased this calendar as a Yankee swap gift for Christmas, and I was very pleased by the expression on the recipients face.0 of 0 people found the following review helpful. Great Product!! Very Funny!!By JH1980I'm generally not a fan of calendars. I typically find that having a physical calendar is a waste. I generally find the calendar and reminder feature on my phone is all I need to be organized. However, I purchased this for both myself and my wife primarily for the entertainment value and neither of us were disappointed!2 of 2 people found the following review helpful. Great Gift IdeaBy BexBought as a Christmas gift for my father so he could be "hip" in the coming new year! He loved it! :D
